

## HEALTH GUARANTEE

Microchip # \_\_\_\_\_ . DOB \_\_\_\_\_.

Reg # \_\_\_\_\_.

Puppy comes with a (2) year HEALTH GUARANTEE that covers congenital health defects for a period of (2) year from the date of birth. Labs ATK is partnered with **NuVet Labs Plus** (immune system support supplement) to assure the puppies good health (New puppy owner must purchase product via [www.nuvet.com](http://www.nuvet.com) within 14 days of receiving the puppy use Labs ATK code # 34775) during the period of this HEALTH GUARANTEE. New puppy owner must notify Labs ATK immediately if your puppy becomes ill, does not eat well, or shows any other signs of distress for a period of thirty (30) days from the date of purchase. New puppy owners have seventy two (72) hours from the time of Pickup/Delivery to have puppy examined by a licensed veterinarian. If puppy is found to have any life threatening or genetic defects, notify Labs ATK immediately and provide a written veterinarian's statement that includes the complete diagnosis of the puppy's condition within 48 hours of diagnosis. Labs ATK reserve the right to have the diagnosis verified by another veterinarian of choice and/or require New puppy owner to have specific tests run on the puppy to verify the diagnosis. If the puppy is replaced, it will be replaced with one of equal value as soon as available and only after the puppy and all papers have been returned (in satisfactory condition) to Labs ATK unless determines a refund is more appropriate. New puppy owners are responsible for providing all transportation and transportation related costs of transporting puppy. Puppy must not be euthanized without prior written approval from Labs ATK or this guarantee is void. New puppy owner understand that puppy will only be replaced if health problems are life threatening and are attributed solely to a hereditary problem and are not due to accident or injury. If puppy dies and New puppy owner is requesting a replacement puppy or refund, a necropsy must be performed by a State Laboratory, at New puppy owners expense to determine the cause of death. Puppy will be replaced or refunded, only if the death was caused by a covered genetic problem or an illness which the puppy had at the time of purchase. Failure to follow the medical advise and/or treatment instructions of veterinarian or Labs ATK will void this guarantee. Labs ATK is not responsible for any veterinarians bills unless previously agreed to in writing. Labs ATK does not guarantee the size, color, hair length, texture, temperament and/or house training abilities of your puppy. Not covered--internal or external parasites, hernia, undescended testicles, under or overbite, injuries, allergies, heat exhaustion, or hypoglycemia. Hypoglycemia is preventable with good care and feeding. Because a luxated patella or collapsed trachea can be caused by injury, they are not covered if they are not discovered during your veterinarian's initial examination. Kennel cough and other communicable diseases are not covered after your veterinarian's initial examination. New Puppy Owner: \_\_\_\_\_. Please initial.
